## *Presentation of the Lord (Candlemas)*

*Known originally as the Feast of the Purification of the Blessed Virgin, the Feast of the Presentation of the Lord is a relatively ancient celebration. The Church at Jerusalem observed the feast as early as the first half of the fourth century, and likely earlier. The feast celebrates the presentation of Christ in the temple at Jerusalem on the 40th day after His birth.*

### *THANK YOU DEBBIE!*

*Deb Gilman will begin her "retirement" from Holy Family Catholic Community on Friday, February 7th. We would like to thank her for her many years of service and dedication to our parish. So much goes on behind the scenes to keep things running smoothly, so much more than just "paying the bills". Running to the city to purchase items for an event or restocking items in the various halls; attending meetings for various parish groups; checking on maintenance problems in the many parish buildings, working on the parish budget, and that's just to name a few!*

*Staff & All those who have had the pleasure to work with you in the various parish groups,  
We wish you all the best on this next "journey" in your life!*

*"Retirement, a time to do what you want to do, when you want to do it, where you want to do it, and how you want to do it." Catherine Pulsifer*

### **Parish Business Manager Transition**

*As you already know Debbie Gilman our business manager will retire as of next Friday, February 7<sup>th</sup>. I have been working with the Finance office of the Diocese of Rochester to recruit a suitable replacement for Debbie for the last three months. Because of the new professional requirements for this position, it has taken longer than I anticipated recruiting and hiring for this Job. Even as I write this piece we are still consulting and vetting the various applicants that have expressed interest.*

*In the meantime, am very grateful to Debbie for all her help in the time she has worked for Holy Family Catholic Community, taking care of our parish finances and buildings. I cannot thank her enough also for accepting to help us through the transition period to train and oversee a smooth and seamless handover of these duties to the new business manager. Towards this end Debbie has accepted to continue processing our payroll and payments for our recurrent bills until this position is filled. This to me is a sure sign of dedication and selfless commitment to the wellbeing of our parish. Please be patient with us during this transition period.*

*God bless you all.*

**Fr. Stephen.**

### **Questions Catholics ask**

#### **What does god's "call" mean?**

WHAT DOES it mean that God "calls" us? When the religious imagination runs wild on this topic, we begin to think: You can run but you can't hide when God drafts you for a particular service. This line of thinking gets us to the crux of the matter, which is: How free is our freedom? Is free will a polite fiction, when God has our destiny all worked out in advance? The short answers are: Our freedom is real, human history has no blueprint, and God is prepared to greet any choice we might make with a constellation of grace and possibility.

Freedom, however, comes complete with responsibility. It does, after all, make a difference which choices we make. Choose the way of destruction, and you're in for a world of hurt. Choose the way of planting and building, and the future blossoms into fuller and greater life.

Yet we say God calls us. To what, if not to particular things? God calls us to fullness of life. God wants you to be fully alive, which means loving, giving, expressing, and radiant—just as God is. You're made in the image and likeness of God, right? So answer that call, and you have stepped into your vocation for sure.

—Alice L. Camille
