**Questions Catholics ask**

**WHAT ARE THE QUALIFICATIONS FOR BEING POPE?**

IF YOU'RE considering the position, I recommend starting your preparation early: The youngest pope, Benedict IX, was 15 when elected in 1032, but as BIX abdicated at age 27, a youthful beginning does not promise a lengthy papacy. The papal bell curve doesn't seem to favor either end of the age spectrum generally. These days popes typically begin in their 50s, 60, and 70s.

So what should you do in the meantime to get ready for the role? Some popes were laymen (I should note: Being male improves your chances for election considerably, notwithstanding the long-held legendary attraction of Pope Joan), but the vast majority was ordained. So priesthood is a plus, topped off with a wonderful Roman education at a pontifical institute of learning, a high-level job in one of the offices of the Curia, the Vatican bureaucracy, and doing time in highly visible diocesan chanceries in large cities. Attaining the status of bishop and cardinal tremendously increases your odds even though it's not required by church law.

In centuries past it was helpful to come from an aristocratic Roman family or organize a crusade, and in the 10th century being wicked wasn't a deal-breaker. Most popes, however, have been well-meaning men and more than a few were popularly acclaimed as saints.

3:00 PM start  
Brae Burn Golf Course  
Dansville, NY 14437**

This is our **Sixth** annual Funds & Fun Golf Tournament to help raise money to build the secondary school in Gitare, Kenya. Thanks to **YOU**, the dream of building a co-educational secondary school is coming together – desk by desk, class by class! Our school welcomed its fourth group of students in February of this year, bringing our numbers to over 120 students! In just six short years we have purchased land and constructed classrooms, an administration office, a water tank and restrooms, but **there is still much more to do** including this year’s goal of constructing the **science lab/classroom**. Thank you for your past support and participation in the Kenya School Funds and Fun Golf Tournament. We hope that you can join us again this year and bring a friend or enjoy a Saturday afternoon activity with your friends and/or family!

NOT A GOLFER? STILL WANT TO HELP?

- Pray for success for the tournament AND the science lab construction
- Come join us for dinner at BraeBurn at 5:30 PM
- Put in a bid on one of the Silent Auction items
- Create a themed basket to donate for the door prize raffle
- Buy a 50-50 ticket (**Mandatory** 50% to us, 50% to YOU!)
