A Prayer for Our Veterans

Eternal and Loving God, we are so thankful for the men and women that You have raised up to serve our country with honor, dignity and commitment in the past and present, in war time and times of peace, in combat or on the home front. We remember them today as they have served with honor, dignity, courage and commitment.

We ask You to bless them in the sacrifices they have made to give of themselves for the cause of freedom. We ask You to surround them and their families with your love and protection as many continue to serve on the front lines.

In their times of loneliness and despair, we ask You to be their unseen hand that will lift them up to see a brighter day. We remember those who have lost their lives in service, and we applaud their selfless acts as well as their families that released them to serve. As You have blessed this nation as the land of the free and the home of the brave, we extend this blessing to every branch of our military, and ask that your continued strength and power be with us in the days ahead.

We thank You that their service has not been in vain, and we salute them with honor today and every day. Believing that You are willing and able to hear and answer, we ask in Jesus Name.

Amen.

WHAT IS A JUBILEE YEAR?

The Jubilee Year (From the Hebrew word *yobel,* meaning horn, which was blown to proclaim the year's beginning) is an ancient Jewish tradition (see Leviticus 25:8-17, 29-31) of pardon and reconciliation celebrated every 50 years (after a "Sabbath of Sabbaths", 7 x 7 years) when the community imitated God's mercy and forgiveness by forgiving debts and by each family returning to its own land and not cultivating it during that year.

This jubilee tradition was first adapted for Catholics in 1300 by Pope Boniface VIII as a universal "year of forgiveness of all sins". Since that time, the ordinary jubilee years have usually been at 50 or 25 year intervals (the last was in 2000). Other "extraordinary" jubilee years, like the one this year, have been declared for various special reasons. Jubilee years are characterized especially by *prayer, good works, pilgrimages to sacred sites (especially Rome) and special indulgences for those who participate*.

WHY PRAY FOR THE DEAD?

PRAYING for the dead is an ancient practice. The Jewish community was doing it two centuries before Christ, and inscriptions and ancient liturgies of the church testify that early Christians followed this practice.

The belief in the communion of saints is an acknowledgment that death doesn't break the bonds of our relationships to one another. The holy ones are praying for us, and we are praying for the less-than-holy-ones still working out the details of their journey to total union with God. Because God is love, anything unloving has to be left behind for that union to take place. In the "economy of salvation" the currency we use to assist our friends is prayer.

Praying for the dead means more than only saying prayers for them. It can include any good work performed for their intention. Should we do these things for bad people, even really bad ones who may have hurt us? Those folks more than any others need our help! Jesus tells us to love our enemies and to bless those who injure us. Certainly we can bless others in death as well as in life. Those who have gone before us need our prayers. And someday we will likely need theirs.
