

VOLUME 7

# KENYA SCHOOL PROJECT

## BUILDING THE FUTURE

### DESK BY DESK

### CLASS BY CLASS

SEPTEMBER, 2014

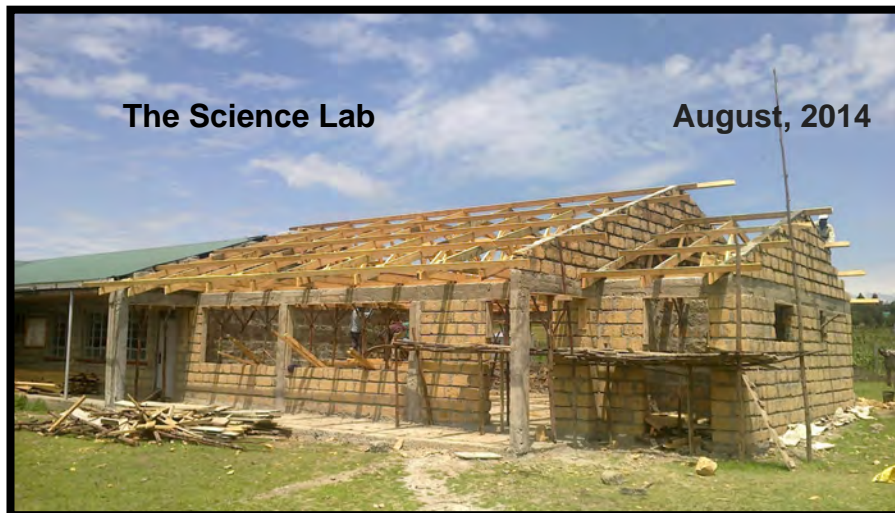

MULTIPLY THE LOAVES  
AND FISHES OF OUR  
COMPASSION AND  
GENEROSITY.

HELP US REACH OUT TO THE  
CHILDREN AND FAMILIES OF  
GITARE, KENYA SO THEY MAY BE  
FREED FROM POVERTY  
AND ENRICHED IN THEIR LIVES  
THROUGH OUR SECONDARY  
SCHOOL PROJECT.

- THE KENYA OUTREACH MINISTRY  
OF HOLY FAMILY PARISH

## ST. JOSEPHINE BAKHITA SECONDARY SCHOOL

The Science Lab

August, 2014

### THE MIRACLES OF OUR COMPASSION AND GENEROSITY

#### GRATITUDE

#### HOPE

#### KNOWLEDGE

#### OPPORTUNITY

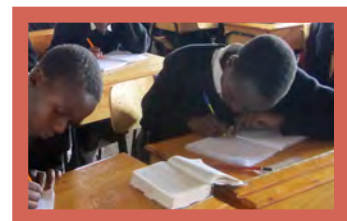

"Tears of joy roll down my face as I think about what you and your supporters have kindly done from your heart for me."

Asante sana,  
Mary Wairimu

❖ "My dream is that of becoming a lawyer to ensure that the defenseless rights are upheld."

John Ndungu

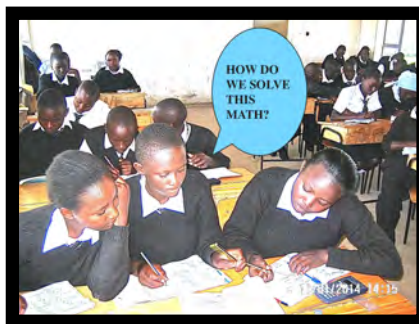

❖ "In the future, I would like to be a doctor due to the prevailing situations in our country that has increased the death rate. People are dying at a young age."

Monicah Njambi

❖ "In the future, I wish to become an engineer so that I can bring change to our society especially to make travel easier." (roads)

Evan Mugo

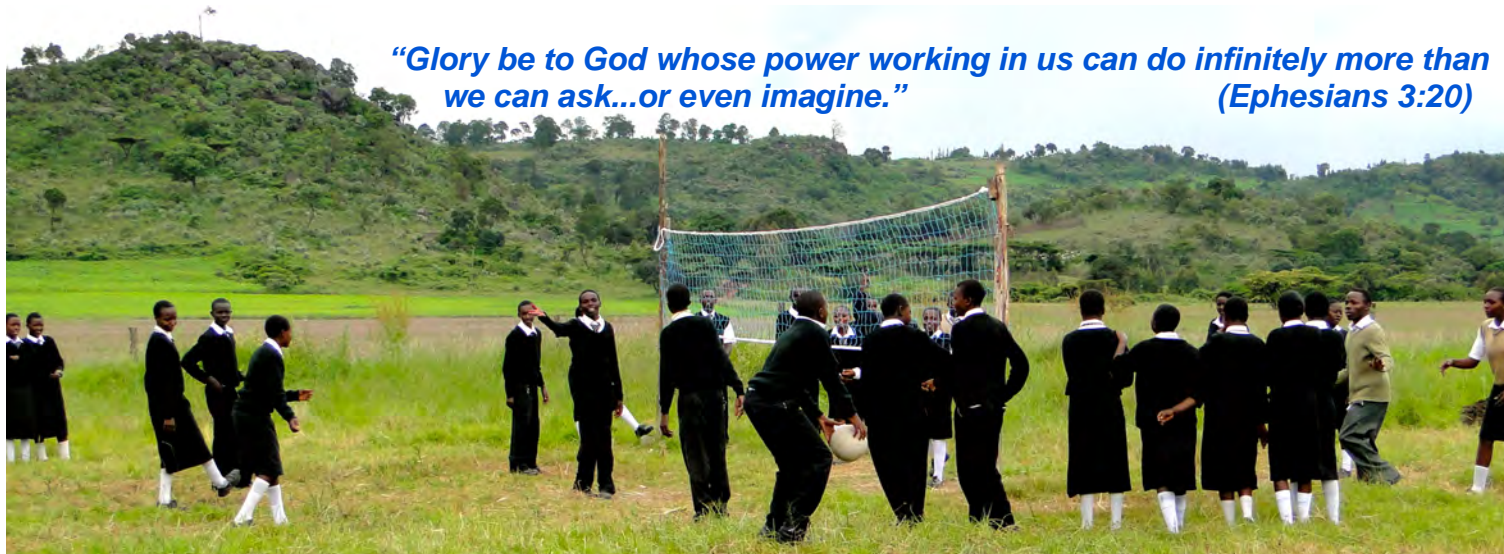

"My name is Teresiah Wahu. I am 15 years old and I come from Gitare village. I am always in class at exactly 7:00 am. for morning preps. We have eleven subjects: Biology, Chemistry, Physics, History, Business, Agriculture, Math, English, Kiswahili, Geography, and Christian Religious Education. My school day ends at 5:30 pm."

#### Presently:

- ★ land
- ★ 4 classrooms
- ★ offices
- ★ desks and chairs
- ★ latrines
- ★ 1 water tank
- ★ exterior of science lab
- ★ 132 students
- ★ over 50% females
- ★ grades 9, 10,11,12
- ★ first class graduates

*“Glory be to God whose power working in us can do infinitely more than we can ask...or even imagine.”  
(Ephesians 3:20)*
