

Please note that effective March 20th, our **parish office will be closed** to visitors. Additionally, **all buildings** on all Church campuses will be **closed to the public.**

We will be receiving e-mails and phone calls at the Parish Office, if it is safe for our staff to do so and per any new directives from the Diocese of Rochester, the state or local government.

Please note that daily Masses will be said privately by our priests and that all Mass Intentions are being honored.

As we navigate the days ahead during the COVID 19 crisis, we are re-imagining the way we can be a Church for our parishioners and how we might go about communicating the Good News of Jesus Christ. Even though we are practicing social distancing, now more than ever we must seek new avenues to be connected.

We encourage you to visit this website frequently and click on the “COVID-19 Update” button. as we will update it with new information or resources as they become available.
