Items Needed by our Local Food Pantries

When planning on what to donate to the local food pantries on the first Sunday of each month, please consider these items:

Dansville always needs cereal, cake, brownie and sweet bread mixes.

Wayland is in need of dish soap, bar soap, baby soap and shampoo, and toilet paper.

Thank you so much for your generosity. These are economically challenging times for most of us. To continue to share and care for others less fortunate than ourselves is a sign of Holy Care in our local communities. *God bless you.*

The Kenya Outreach Committee is inspired and challenged by the recent apostolic journey of Pope Benedict XVI's to our country. *Christ, Our Hope* was the recurring theme reiterated in his many speeches, homilies, and addresses to the people of our nation. In his address to the United Nations he challenges not only the international heads of state but also the people of the world to:

- ♦ Respect the innate dignity of every man and woman.
- ♦ Recognize the unity of the human family.
- ♦ Protect human rights.
- ♦ Protect the planet and the environment.
- ♦ Promote solidarity.

At Yankee Stadium, Pope Benedict challenges us to step forward and take responsibility, "...let your faith and love bear rich fruit in outreach to the poor, the needy and those without a voice."

For information about the Kenya Outreach Project, visit our parish web site: www.hfccwny.org and click on the map of Africa.

Daily mass in Dansville is returning to the Church building from its winter quarters in the Chapel. Please use the side entrance to the Church. All are welcome to worship! Here let us seek to see God more clearly, love God more completely, and serve God more certainly.

Vocation Awareness

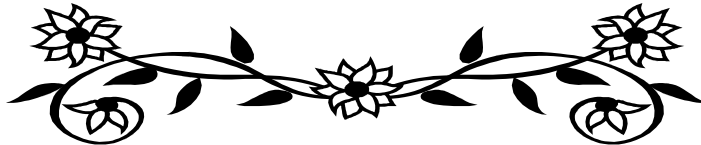

Jesus' heart was moved with pity at the sight of the troubled and abandoned crowds of people... "like sheep without a shepherd." He commissioned his disciples to go out and care for the people. Everyday, the priests, religious, and lay ministers of our diocesan Church carry on the work of those first disciples, but "the laborers are few." Might God be asking you to use your gifts in that wonderful way? Consider whether a vocation to priesthood, religious life, the diaconate, or lay church ministry might be for you. Contact the **Office of Vocation Awareness**, 585-461-2890 or www.dor.org/vocations.

Simple Request One of our parishioners from Wayland is in need of a ride regularly to 10:30am Sunday mass. If you are able to pick up a passenger weekly, please call Eileen at 728-5183.

The St. Vincent DePaul Society has received a request for a sofa. If you would like to donate one, please call 728-5192 and leave a message.

A.A.R.P. Drivers Safety Program - June 25th and 27th from 1 until 5pm, at the United Methodist Church, 5 Chestnut Ave., Dansville. The fee is \$10 per person.. To register, call (585)-335-6541.

The WCCS Humanitarian Club has raised \$1200 with its project to help the **Water for Sudan** project dig wells in Sudan. Our parish helped out by taking donations and giving out 50 of the 250 limited edition, signed, waterscape prints by teacher and artist Betsy Hoefen. These young people are to be commended for their efforts to ensure safe, clean water in a perpetual supply for the people in villages across Sudan. Of course people can still donate to this very worthy cause by going to www.waterforsudan.org or by writing to **Water for Sudan, Inc. 60 Valewood Run, Penfield, NY 14526**. Thank you for your generous support. *Sally Leeson*

Global Food Crisis Could Close Nigerian Seminary

The global food crisis could close the Catholic seminary in the central Nigerian city of Makurdi by June 20 as "astronomical prices" force food rationing there.

According to Aid to the Church in Need (ACN), the major seminary has at least 520 seminarians from 15 dioceses around the country. The seminary's food problems are compounded by electricity supply problems caused by the rising price of diesel, which has increased by one third in just one week. The seminarians' home dioceses are also overstretch by rising food and gas prices.

Since the food crisis began in April, the seminary has taken out credit in order to function. Seminary rector Monsignor Kenneth Enang told ACN that he may be forced to close the seminary before the students begin to suffer from malnourishment and the debts increase further. He said that the seminary had only recently been planning to expand because of inadequate space. The number of seminarians had increased to 520 from 400.

In a previous report, Msgr. Enang had told ACN he was delighted at the "good vocations" and the well-qualified staff. He had said the seminary was a "bridge" between north and south Nigeria. In the young men's camaraderie, he said, one could see "how Nigeria ought to look."

Msgr. Enang has said the growth of the Catholic Church in Nigeria is "phenomenal." Adherents of traditional African religions are often drawn to Christianity. Father Andrzej Halemba, head of the Africa desk of ACN, said that feeding seminarians is a major expense for African seminaries, and further price rises are expected. He said the global food crisis could threaten other seminaries in the Third World.
